## PROJECT INFORMATION

#### Purpose & Need for the Project

**Project Need:** Most of project is within the Cabrillo Freeway National / California Register Historic District. The Cabrillo Freeway Historic District was found eligible for the National Register of Historic Places in December 1996, when it was also placed on the California Register of Historical Resources. The Cabrillo Freeway was also placed on the City of San Diego's historic landmark listing as #441 in September 2000. Most recently, the roadway through Balboa Park was designated an official Historic Parkway by the California State Legislature (AB 3025). In April 2003 District 11 adopted the State Route 163 Management Plan. The purpose of the Management Plan was to develop a coordinated program approach for safety improvements and roadside vegetation management of this historic roadway and landscape to meet the Secretary of the interior Standards for Historic *Preservation.* This project is the first phase of this historic preservation effort.

### **Project Purpose:**

The purpose of the project is to meet the goals of the State Route 163 Management plan. The plan seeks to restore the landscape so that it retains the essence of its historical features. This will include planting with support irrigation, fencing and lighting.
